

Roaming Networks is one of the leading system integration companies in the ICT field in Serbia and the Balkan region. We supply professional consulting, design, implementation, integration and maintenance services in the fields of radio and microwave access networks, passive optical networks, transport systems, IT infrastructure and data centers and security solutions. In recent years we have built a strong presence in the markets of Serbia, Montenegro, Bosnia-Herzegovina, Austria and Germany. Roaming Networks employs more than 450 skilled professionals. We have partnered with as many as 15 global companies. We offer turnkey solutions customized to the needs of our clients and turn their projects into successful stories. By steadily developing and growing we strive to expand into new markets in Europe and the USA.

Due to the expansion of the scope of work Roaming Networks announces a job vacancy:
